

MINISTÈRE DE LA TRANSITION ÉCOLOGIQUE ET SOLIDAIRE

*Le ministre d'Etat*

Paris, le **13 SEP. 2017**

Dear Madam,

You have sought my support for the World Efficiency Solutions event, which will take place from 12 to 14 December in Paris.

This event represents an opportunity for the deployment and visibility of solutions that are adapted to the environmental and industrial changes, which I want to accelerate.

The Climate Plan I presented on 6 July, will help France becoming a major player in the development of the green economy, making the Paris Agreement an opportunity for attractiveness, innovation and employment. The meeting you are organizing at the time of the Paris Climate Summit must contribute to it in a concrete manner.

The Ministry for the Ecological and Inclusive Transition therefore naturally joins your approach that stimulates the growth of the new green economy markets and develops the circular and low-carbon economy, which lie at the core of the Climate Plan.

I wish you every success and I hope you will be able to mobilise a large number of companies, regardless of their size, for the creation and deployment of new solutions.

Please accept, Madam, the assurance of my highest consideration.

Nicolas HULOT
